**Dear Joe:**

Before leaving on his current trip Colonel White asked me to acknowledge your interesting letter of 29 March 1948 on the idiosyncrasies of shortwave reception. I, myself, was interested since I never have time to keep track of these things in the way I am supposed to.

I agree that it would be good if it were practical to have Koreans both at Kauai and Tokyo in order to take advantage of the best reception at all times. It is too bad that the struggle we are having to keep a minimum staff on duty in Tokyo makes it impossible to divert any of them elsewhere.

**Sincerely,**

**Acting Chief, FBIB**
